Get one-tap access to your account & pieces — no download from any store needed

iPhone & iPad

Use Safari browser

- 1 Open the link in Safari**
Scan the QR code below, or type the address into Safari. (Chrome cannot add to home screen on iOS.)
- 2 Tap the Share button**
The square with an arrow pointing up — at the bottom on iPhone, at the top on iPad.
- 3 Choose **Add to Home Screen****
Scroll down the share menu until you see it, then tap it.
- 4 Tap **Add** to finish**
The HN Monarchy icon now sits on your home screen, ready to open like an app.

Android

Use Chrome browser

- 1 Open the link in Chrome**
Scan the QR code below, or type the address into Chrome.
- 2 Tap the menu **⋮****
The three dots at the top-right corner of Chrome.
- 3 Choose **Add to Home screen****
Or it may say **Install app** — either one works.
- 4 Tap **Add** to confirm**
The HN Monarchy icon now sits on your home screen, ready to open like an app.
